REMARKS

In the above-referenced Notice, the LIE indicated that the Amendment filed January 5, 2009, did not include the proper status identifier for each claim and as such the individual status of each claim cannot be identified. While Applicants believe that all of the claims had a status identifier, claim 3 is the only claim where the identifier appears to be incorrect. Applicants have corrected the status identifier for claim 3 in this Response and reviewed all status identifiers for all pending claims. Applicants have also corrected the indication of amendments made to claims 1 and 4 from the prior filing. Pursuant to the Notice, Applicant has included only the listing of the claims in compliance with 37 C.F.R. § 1.121, and relies on the previous submission for the comments related to the Examiner's rejections.

No other fees are believed to be due in connection with the filing of this response. However, in the event Applicants have overlooked any fees for the extension of time, an additional extension of time, payment of fee, or additional payment of fee, Applicants conditionally petition therefor, and authorize that any charges be made to Account No. 12-1213.

Respectfully submitted,

/Michael L. Leetzow/
